CANCELLATION OF INDEPENDENCE DAY FIREWORKS CELEBRATION

Mayor Ray Coles and the Township Committee announced that the annual Lakewood Independence Day Fireworks celebration has unfortunately been cancelled due to the current COVID-19 pandemic and its impact on Lakewood Township.

The foremost goal of the Township Committee and all Township officials is to keep its citizens healthy and safe.

Even though the fireworks are cancelled, residents are encouraged to display their pride & patriotism and display their American flags during the Independence Day Holiday, July 3-5, 2020.

Be safe, we are all in this together.
